Detailed Action

Allowable Subject Matter

1. The following is an examiner's statement of reasons for allowance: With respect to claim 1, the closest prior art to FR 897 676 A teaches the claimed invention except for the step of increasing the speed of the discharge elements during the filling of the coke oven with an increased filling level of the coal particles.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
